Neighborhood Picnic

The PBCA neighborhood picnic is set for Saturday, August 25th from 3-10 pm. In addition to food, fun, music, games and meeting your neighbors, the PBCA will rent a moonwalk for the kids. The Civic Association will provide burgers, hot dogs, fried chicken, fixings and drinks. Each family should bring a pot-luck dish, so start planning now for that special recipe to wow your neighbors. See the enclosed flyer for full details. There is a small fee to help cover expenses.

Yes, you can bring relatives and/or friends who do not live in the neighborhood. They will have to bring a side dish as well as paying the same fee.

PLEASE VOLUNTEER TO HELP!!! We need someone to organize the grills and organize the kid's activities. We also need folks to help set up, sign-in folks, take care of the Moonwalk, cook food, buy ice, and many other jobs. Please contact David Fish at 737-6635 to volunteer.

Neighborhood bike parade

Kids of all ages are invited to attend a bike parade beginning at 2:30 p.m. on August 25th at Pavilion Park before the start of the picnic. Bring your bicycle decorated with your best creative ideas. The kids will ride along Oxbow and Copper Kettle before returning to the park.

President's Corner:

Hi Neighbors,

I hope many of you will come to our neighborhood picnic on August 25. Also, the annual meeting will be at the pavilion on Monday October 1. The more folks that come, the better the input to your Board of the Pine Brook Civic Association.

We have several ongoing projects that we have been working on. A major project completed this Spring was trimming and removal of dead trees from the Hidden Park, and installation of substantial new playground equipment. Thanks to all the volunteers who put much effort into assembling that equipment. We intend to make plans for rehabilitation of the pavilion itself, with the idea of making it more useful over time.

Since we are also approaching an important election this November, the Board will discuss the feasibility of having candidates come to the pavilion so you can meet them. With candidate schedules, its uncertain when or even whether we can do this, but it would be good to give our residents the chance to meet people you might vote for. If this works, we will send out an email giving date and time.

As usual, unfortunately I have to remind folks to pay their dues. Some people just forget and some think they have a good reason not to pay. Well, it's a little like a coffee fund at work - some people hardly drink any and others drink a lot, but everyone benefits from it being there. We all benefit from our parks and PBCA, and it costs very little to support them.

There does not appear to be any news about our bridge - we will inform you if we hear anything. Finally, we are shortening the newsletter to make it more readable. Have a great end of Summer and early Fall.

Bocce anyone?

Hampden Township has finished some renovations at Hampden Park located next to the pool. These include new playground equipment, a new pavilion and two professionally installed Bocce courts. The rules of play may be found online and an inexpensive set of bocce balls may be purchased at local sporting goods stores. Anyone in the neighborhood interested in starting a neighborhood playdate?
